## FORWARD

A new drug management policy has been introduced in the State since 1997-98. The first Essential Drug List came out in 1998. This is the third revised and updated Essential Drug List. It contains 290 items and has been divided into drugs for use in primary level institutions and those to be used in secondary and tertiary institutions. This list has been prepared on the basis of the WHO model list (1999) and in consultation with different specialists of medical colleges and peripheral hospitals.

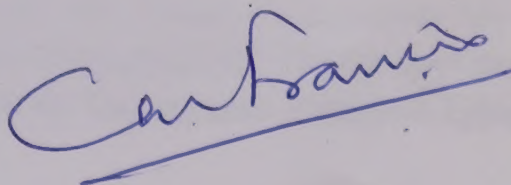

The publication of the Essential Drug List is a big step forward in reforming the drug management policy of the State and in ensuring the rational use of drugs. Both of these will together result in the improved health status of the people of Orissa.

I hope the Essential Drug List will be very helpful to all concerned.

**Meena Gupta**

Principal Secretary to Govt. of Orissa  
Health and Family Welfare Department

MAY 29, 2002

# FORWARD

A new drug management system has been developed by the  
Drug Management Group (DMG) and is being used in 1982. This is the  
first year that the Drug Management Group has been used and  
it is hoped that this system will be a major step forward in  
the way in which drugs are managed and used. The system has been  
developed on the basis of the WHO model (1970) and is designed to  
provide a system of medical control and management of drugs.

The objective of the Drug Management Group is to provide a  
system of drug management which is based on the WHO model and is  
designed to provide a system of medical control and management of  
drugs. Both of these are important in the control  
of the use of drugs.

I hope the Drug Management Group will be very helpful in the control

12166  
DR-412-p02

## **MESSAGE**

Date : 27/05/2002

I convey my heart felt congratulations to the STATE DRUG MANAGEMENT UNIT, Orissa, Bhubaneswar for their sincere effort in preparing the revised list of Essential Drug List (2002).

I hope this will be highly beneficial in guiding all the health professionals of our state in rational use of drugs.

**Dr. R.K. Patra**

Director Health Services, Orissa

## **MESSAGE**

Date : 27/05/2002

I am very happy to know that the STATE DRUG MANAGEMENT UNIT, ORISSA, BHUBANESWAR has come out with the 3rd revised & updated list of Essential Drug List (2002)

It has covered all the key drugs from sub-centre level to tertiary (medical college) level all in generic names. It will be of much help to all the health professionals and as well as the patients.

**Dr.(Mrs.) Indira Mishra**

Director Family Welfare, Orissa

## **MESSAGE**

Dt.27.05.2002

The State Drug Management Unit, Orissa, Bhubaneswar has come out with a revised & updated Essential Drug List (2002). This has been possible due to the active co-operation of all the Departments of medical colleges & peripheral hospitals.

I am sure this will have impetus impact for providing opportunity to render better service to society.

**Dr. H.K.Sahoo**

Director of Medical Education & Training, Orissa

## ACKNOWLEDGEMENTS
